

Notification of COCOON 2024

SHANGHAI JIAO TONG
UNIVERSITY

Dear ladies and gentlemen,

This is an official notification of your attendance at the 30th International Computing and Combinatorics Conference (COCOON 2024), which will be held in Shanghai, China, from August 23 to 25, 2024.

COCOON 2024, hosted by Shanghai Jiao Tong University, is a prestigious event that gathers scholars and researchers in the field of computer science theory, focusing on the intersection of computing and combinatorics. The conference will feature plenary lectures, workshops, and special events for the 30-year anniversary of COCOON.

Your participation in this conference is highly valued, and we appreciate your contribution to the scientific discussions and collaborations that enhance the quality of our event.

Date and Venue

We recommend your arrival at August 22nd, the conference will be held from August 23 to 25, 2024.
Jinjiang Hotel (59 Maoming South Road, Huangpu District), Shanghai, China
